6th Asian Triangle Heavy Ion Conference

Monday 15 February 2016

Student Day Session 1 - Multi Purpose Hall (09:30 - 13:00)

-Conveners: Bedangadas Mohanty

time	[id] title	presenter
09:30	[14] Study QCD phase structure in high-energy collisions	XU, Nu
11:00	Tea Break	
11:30	[15] QCD and its application hot and dense matter created in heavy-ion collisions	Prof. GOLAM MUSTAFA, Munshi
