The NSERC Chairs for Women in Science and Engineering in Canada

Wednesday 8 June 2022 08:45 (45 minutes)

For over 25 years, NSERC has supported a national network of five women scientists holding the Chairs for Women in Science and Engineering. The goals of this program are to celebrate and support leading women scientists and increase the participation of women in science and engineering. What are the successes and challenges of the Chairs program? Find out in this talk.
