European Nuclear Physics Conference 2022 (EuNPC 2022)

Tuesday, 25 October 2022

P7 Fundamental Symmetries and Interactions - Classroom 6, Facultad de Ciencias de la Comunicación (17:00 - 18:40)

time	[id] title	presenter
17:00	[112] Pulsed Production of Antihydrogen in AEgIS	ZURLO, Nicola
17:25	[110] Search for the electric dipole moment of charged particles using storage rings	SHMAKOVA, Vera
17:50	[111] Unprecedented precision studies of multi-strangeness hadronic interactions with ALICE at the LHC	DEL GRANDE, Raffaele
