Session Program

23–24 Feb 2016

CMS GEM Firmware Workshop

GEM Firmware Design Review and Discussion

Mitchell Institute for Fundamental Physics, Texas A&M University, M108
University Ave & Ireland Street College Station, TX 77845

Tuesday 23 February

08:30

GEM Firmware Design Review and Discussion

Session |
Location: Mitchell Institute for Fundamental Physics, Texas A&M University, M108, University Ave & Ireland Street College Station, TX 77845
Convener: Jason Gilmore, | Gilles De Lentdecker

08:30–08:55 **Introduction and Coffee**

Speaker
Jason Gilmore

08:55–10:10 **Summary of Required Firmware Changes**

Speakers
Jason Gilmore, Mikhail Matveev, Thomas Lenzi

10:10–10:30 **Coffee Break**

10:30–12:00
Discussions on Firmware Module Implementation: Protocols & Interfaces

Speakers
Andrew Nickolas Peck, Evaldas Juska, Jason Gilmore, Thomas Lenzi, Yifan Yang

12:00
