TWEPP-09 Topical Workshop on Electronics for Particle Physics

Thursday 24 September 2009

TOPICAL (14:15 - 15:45)

time	[id] title	presenter
14:15	[151] Low Power SoC Design	PIGUET, Christian
15:00	[150] Two-Phase Cooling of Targets and Electronics for Particle Physics Experiments	Prof. THOME, John Richard
