Inflation and PBH (III) - 2.62 (9:00 AM - 10:45 PM)

-Conveners: Krzysztof Turzynski

time	[id] title	presenter
9:00 AM	[12] Numerical simulation of Primordial Black Holes	ESCRIVÀ, Albert
9:30 AM	[10] Primordial Black Holes abundance	GERMANI, Cristiano
10:15 AM	coffee break	
10:45 AM	[13] Failure of the stochastic approach to inflation beyond slow-roll	CRUCES, Diego
11:15 AM	[8] Inflationary correlators from the stochastic spectral expansion	Mr MARKKANEN, Tommi
12:00 PM	[14] free discussion	
12:30 PM	lunch break	
2:00 PM	[15] Properties of the primordial power spectrum for PBH production	DALIANIS, Ioannis
2:45 PM	coffee break	
3:15 PM	[16] Oscillations that mimick weak lensing	DOMENECH, Guillem
4:00 PM	[17] free discussion
