

Welcome to the Physics Retreat@SLAC

- Following everyone's wish to be an informal meeting with mainly working sessions to facilitate interactive collaboration. It's an experiment.
- Please pay attention to the updates of meeting agenda as details for the later part of the retreat will be created on the fly as we go.
- Offsite participants wishing to have phone connections for Wed/Thurs please notify Su Dong.
- Need your feedback on how to make the retreat effective. Be interactive !
