Initial inspiration

One of my »perfect world« fantasies is that someday people will go to archives the same way they now go to libraries and museums.

What will be remembered better?

- Von Restorff Isolation Effect
- Olfactory Memory

- Identification
- Catharsis
- Insight

POCHI ANNI DOPO abbiamo avuto una visita negli archivi. L'archivista ha preso la scatola d'archivio. L'ha aperta e ha tirato fuori il raccoglitore. Ha aperto anche quello e mi ha mostrato ai visitatori. Era un gruppo di bambini. Quello fu il giorno in cui incontrai i bambini per la prima volta nella mia vita. Ero molto nervoso e molto curioso di sapere cosa avrebbero detto di me.
