Two Year Roadmap (from Sept. 17, 2005 DOSAR
Workshop at Sao Paulo)

Action Items (Long Term)	Responsible Person
Fully engaged in LHC experiments: DOSAR should not become a Tier 2. It contains institutions from different Tier 2's (Atlas, CMS...) and will collaborate with others	IAC Reps.
Continue participating in D0 MC and refixing according to our own priorities	Joel, Joe
Play a leadership role in Grid computing in the corresponding states	IAC Reps
Extend our participation in other areas like education and outreach	IAC Reps
Collaborate in software development with other non-DOSAR institutions	IAC Reps
Leverage regional OSG support centers	IAC Reps
