

ELENA PROJECT

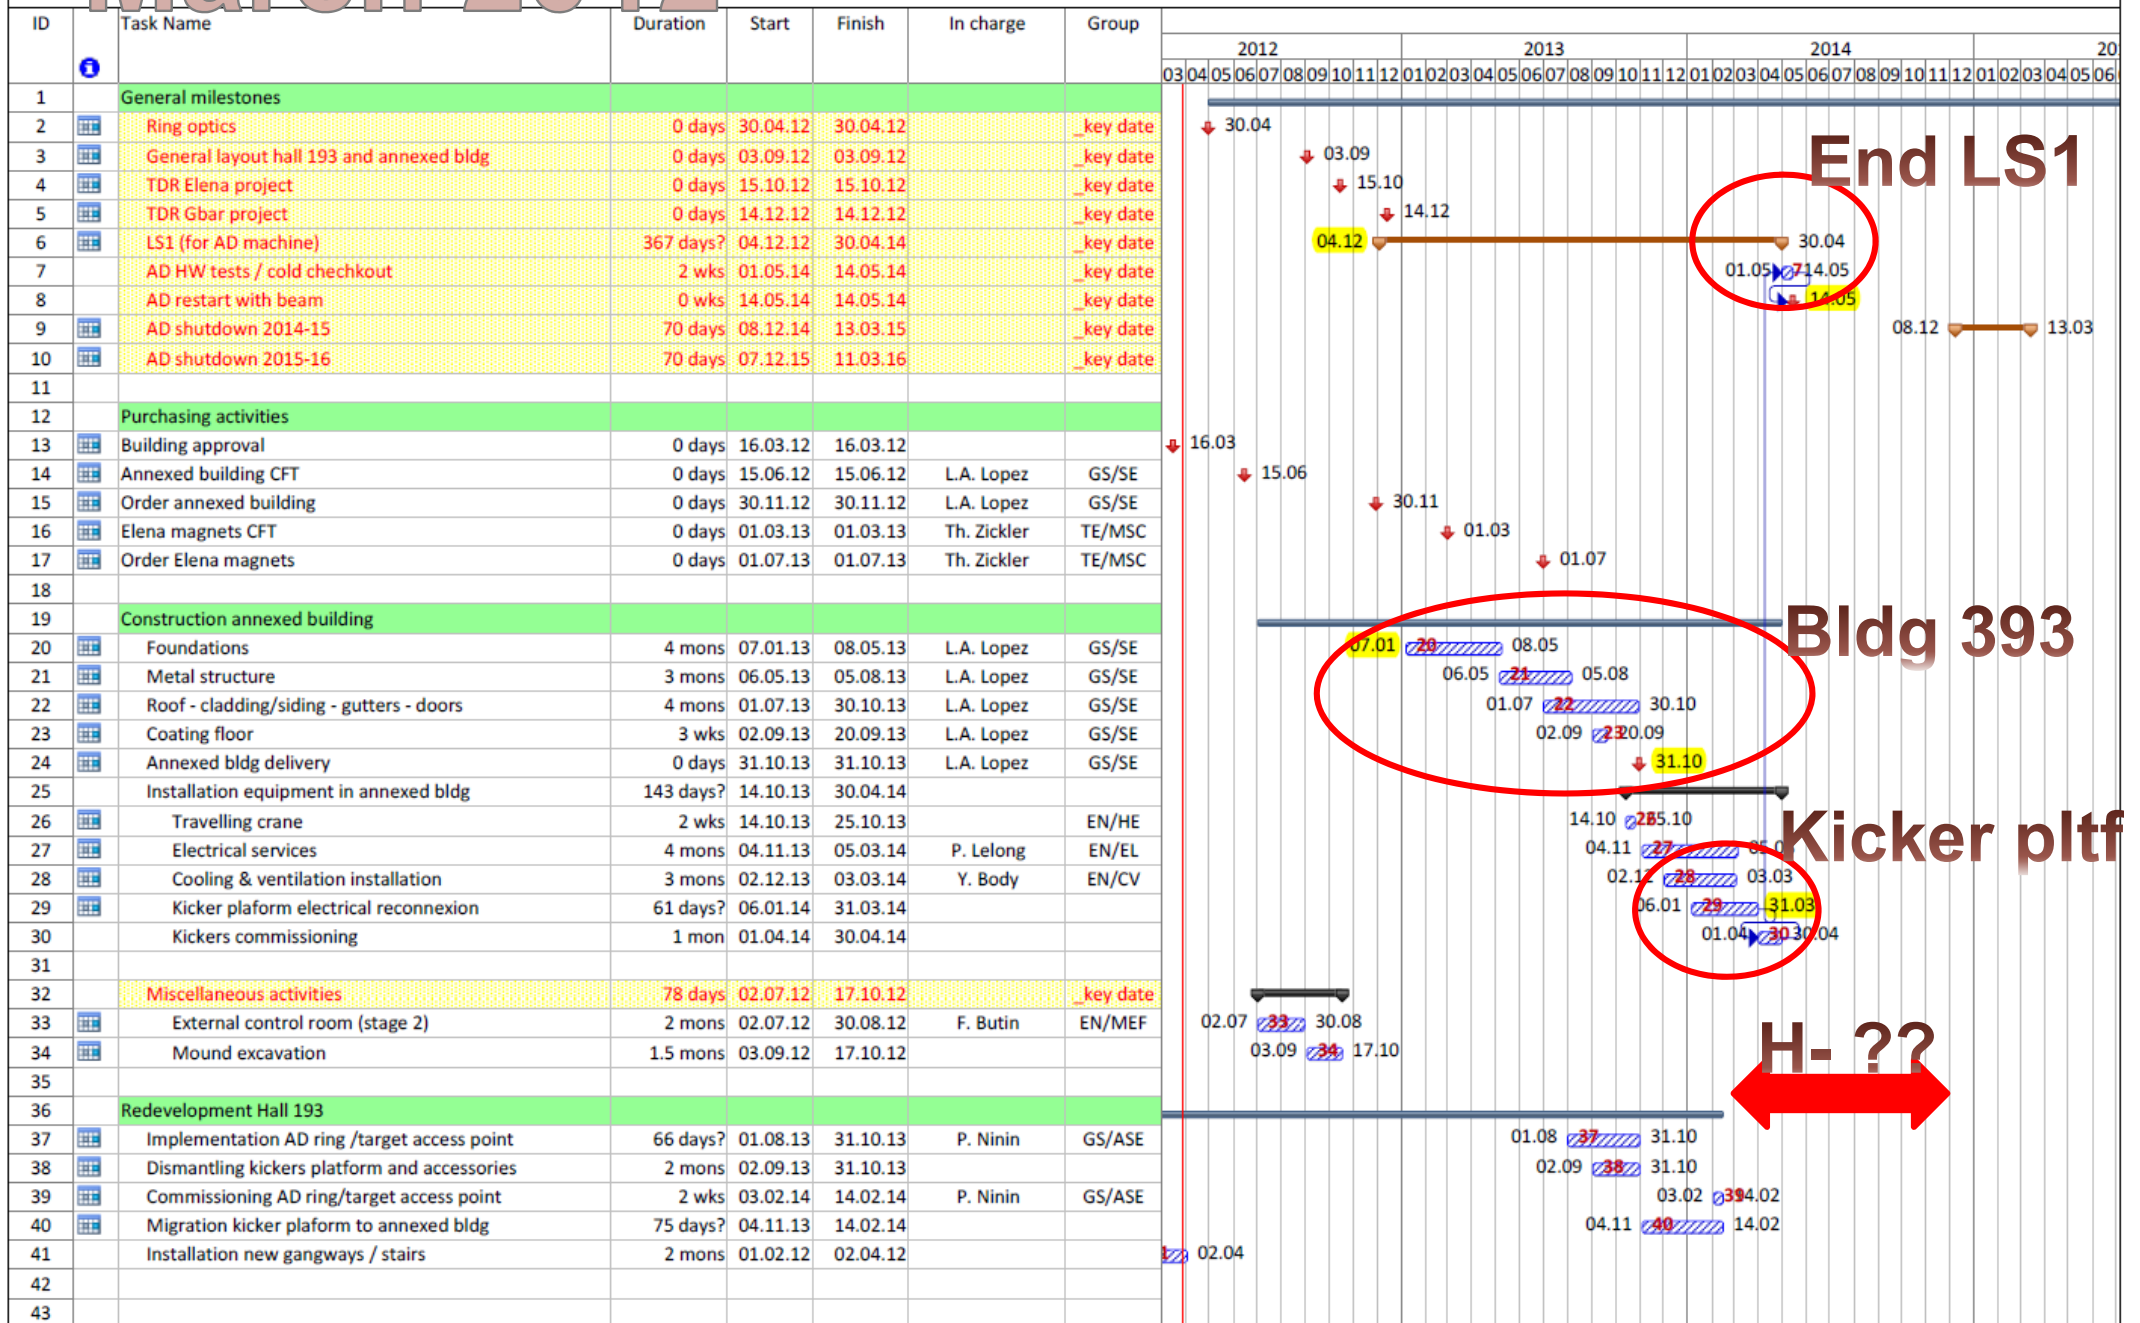

Planning H- source

Evolution

N. GILBERT

March 2012

ELENA General Site Planning (draft for discussion)

Evolution of the situation

- LS1 prolonged by 2 months
- Annexed building start was delayed
- Consequently kicker platform postponed
- Planning magnet too short (prototype phase necessary)

- → H- : 2014 period (1/3 – 30/11) moved to 2015

July 2012

ELENA Project - General Reference Planning
