

XXX-th International Workshop on High Energy Physics “Particle and  
Astroparticle Physics, Gravitation and Cosmology: Predictions, Observations  
and New Projects”

Contribution ID: 43

Type: **not specified**

## Nonzero $\theta_{13}$ and CP Violation from Broken $\mu - \tau$ Symmetry

*Thursday, 26 June 2014 15:05 (25 minutes)*

**Presenter:** DAMANIK, Asan (Sanata Dharma University)

**Session Classification:** CP-violation
