

OpenStack User Group meeting

Contribution ID: 0

Type: **not specified**

Welcome

Friday, 6 December 2013 14:00 (15 minutes)

Welcome to the combined Swiss and Rhone-Alpes user group meeting at CERN.

This contribution will cover the schedule for the visit along with a summary of how clouds are a fundamental technology to address the extreme computing challenges presented by the Large Hadron Collider.

Presenter: BELL, Tim (CERN)
