

# Acoustic Detection of Ultra High Energy Neutrinos

*Monday, 31 March 2008 16:33 (12 minutes)*

I will present the latest results in the acoustic detection of Ultra High Energy Neutrinos, focusing mainly on the work of the ACoRNE collaboration.

## **Talk, Poster, or Talk & Poster**

Talk

**Primary author:** Mr BEVAN, Simon (UCL)

**Presenter:** Mr BEVAN, Simon (UCL)

**Session Classification:** Parallel 1C: Neutrino Physics
