

OSG WLCG MB Milestones Status

Ruth Pordes, 24/6/08

- *WLCG-08-01b Jun 2008 RSV: Tier-2 SE Tests Equivalent to SAM; Successful WLCG verification of OSG test equivalence of RSV tests to WLCG SE tests*

-Work completed pending approval by the WLCG board ?

- *WLCG- 08-02 Jun 2008 OSG Tier-2 Reliability Reported:*

1.OSG RSV information published in SAM and GOCDB databases.

-Work completed pending approval by the WLCG board (today?). ?“not GOCDB”?
do we mean “through to Gridview”?

2.Reliability reports include OSG Tier-2 sites.

- .xls output from Gridview being checked by OSG against local RSV reports; It is being reviewed by US ATLAS and US CMS management; Request Monthly WLCG report (.pdf) from GridView with OSG Tier-2s included as early as possible to allow checking. Will then inform Alberto whether they can be included in the official June reports.
