

# **DPF 2009**

**Friday, 24 July 2009 - Friday, 31 July 2009**

**Wayne State University**

## **Scientific Programme**

The conference program will include plenary and parallel sessions.

## **Accelerator Physics**

## **Beyond the Standard Model**

## **Computing in HEP**

## **CP-violation**

## **Detector Technology and R&D**

## **Education and Outreach in HEP**

## **Electroweak Physics [W/Z]**

## **Field and String Theory**

## **First Results from LHC**

## **Hadron Spectroscopy**

## **Heavy Ion Physics/Hot and Dense QCD**

**Heavy Flavor Physics [bottom, charm, tau]**

**Higgs Physics**

**Low Energy Searches for BSM Physics**

**Neutrino Physics**

**Particle Astrophysics and Cosmology**

**Perturbative and Non-perturbative QCD**

**Top Quark Physics**

**Poster Session**
