

# First Workshop on Data Preservation and Long Term Analysis in HEP

**Monday, 26 January 2009 - Wednesday, 28 January 2009**

**DESY**

## **Scientific Programme**

The objectives of the workshop are:

*Review and document the physics objectives of the data persistency in HEP.*

Exchange information concerning the analysis model: abstraction, software, documentation etc. and identify coherence points.

*Address the hardware and software persistency status*

Review possible fundings programs and other related international initiatives.

\*Converge to a common set of specifications in a document that will constitute the basis for future collaborations.
