

Max REYER

Max is from Germany. Currently he is studying a Bachelor's Degree in Mathematics and a Master's Degree in Physics at the Georg-August-University in Goettingen.

During his summer at CERN Max has been working in the Atlas Experiment. His project has been focused on the exploration of W-tagging techniques for background reduction in the strong-1-lepton-channel for the SUSY search at ATLAS.

After his internship at CERN Max will write his bachelor thesis in mathematics and will complete his masters-program in physics.
