Current Tutorials

- What would you like to see in DS'15 tutorials?
  - Most of the presenters are here, chance for last-minute feed-back
- Should be a regular activity not only tied to workshops
  - New people (students) joining continuously
- How often should we have them?
  - Quarterly, once/twice per year
- Part of Academic Training Program?
- New Technology: Notebooks
- Rotating list of experts who can teach
- Make tutorials available online
