

When should we hold GDB
Meetings?

- Last month it was suggested that GDB be held on Tuesdays

Pros

- GDB+MB would take only one day
- MB could discuss issues raised at GDB

Cons

- People have Tuesday meetings already scheduled.
- Travel on Monday clashes with EGEE/WLCG Weekly Operations Meeting
- Little time to prepare GDB issues for MB immediately afterwards
- No time for pre-GDB before GDB.
 - Could be afterwards

Question

- GDB affects more people, why not move MB to Wednesday.
