@marthedeqli

**PRACTICE
MAKES PERFECT**

A close-up photograph of a camel lying on its side on a sandy, reddish-brown ground. The camel's head is resting on the ground, and its long neck is extended. The camel has a light brown, textured coat. The background is a vast, flat, arid landscape under bright sunlight.

**PREPARED, NOT
BORING**

THE WHOLE PRESENTATION IN ONE SLIDE

A serene background image showing a person swinging on a swing set over a body of water. The sky is a mix of light blue and soft orange, suggesting a sunset or sunrise. The water is calm, reflecting the sky. The swing set is on the right side of the frame.
