

ROOT Planning

Axel Naumann

2017-03-15

Infrastructure

- ROOT moved primary git repo to GitHub
- renamed `github.com/root-mirror` to `github.com/root-project`
- should be transparent for non-ROOT-devs

Current Work Items

- VecCore
- cling: Windows, unloading, optimization in JIT
- Automatic legend positioning
- TDataFrame improvements / RangesV3
- ROOT 7 drawing
