

icalepcs 2011

13th International Conference on Accelerator and Large
Experimental Physics Control Systems

10th – 15th October 2011

hosted by the European Synchrotron Radiation Facility
Grenoble, France

Marie Robichon (ESRF)
JACoW 2009 Team Meeting, DESY, Hamburg

General Organisation

- **Chairs**
 - Conference chair: Andy Götz (ESRF)
 - Programme committee chair: Jean-Michel Chaize (ESRF)
 - LOC chair: Anne-Françoise Maydew (ESRF)
 - Editor in chief: Marie Robichon (ESRF)
 - IT specialist: Laurent Duparchy (ESRF)
- **Host:** European Synchrotron Radiation Facility
- **Estimated number of participants:** 500
- **Dates:** 10th-15th October 2011
- **Conference site:** Grenoble, France
- **Conference venue:** World Trade Centre, central Grenoble
- **Web site:** icalepcs2011.esrf.eu

Where is Grenoble?

Aéroport de Grenoble-Isère
38590 Saint-Étienne-de-Saint-Geoirs
T. : +33 (0)4 76 65 48 48
www.grenoble-airport.com
35 minutes du centre de Grenoble

Aéroport de Lyon Saint-Exupéry
BP13 - 69125 Lyon Saint-Exupéry
T. : +33 (0) 826 800 826 - www.lyon.aeroport.fr
55 minutes du centre de Grenoble

Aéroport international de Genève
Case postale 100
1215 Genève 15 - Suisse
T. : +41 22 717 71 11 - www.gva.ch
1 h 45 de Grenoble

Autoroutes
A48 Lyon (100 km)
A49 Valence (90 km)
A41 Chambéry (55 km)

Gare SNCF de Grenoble
1, place de la Gare - 38000 Grenoble
T. : 36 35 - www.sncf.fr
Grenoble / Paris en moins de 3 h

Grenoble – the capital of the Alps

What is the ESRF?

- One of the world's 3rd generation synchrotron light sources (with APS and SPRing-8)
- 19 participating countries
- 600 staff members
- Operating budget (2007) 80m€
- 6000 researchers per year
- 1500 publications per year
- Located in 'Polygone scientifique'

The ESRF and its surroundings

The Conference Venue

WTC Auditorium – 530 seats

Credit photo WTC Grenoble

WTC Atrium – a multi-purpose hall of 1200m²

Overall draft plan

- Scientific programme
 - Invited orals
 - Contributed orals + poster sessions
 - Tutorials
 - Birds of a Feather sessions
 - Happy hour
 - Robot competition
- Social programme
 - Welcome reception
 - Banquet
 - Happy hour
 - Outings to be defined

Proceedings

- The figures expected are based on the ICALEPCS2009 numbers:
 - Abstracts: ~ 430
 - Papers: ~ 350
 - Posters: ~ 300
- Experience using SPMS for paper processing was gained at ICALEPCS2009 and more may come at ECRIS'10
- Peer review by JInst (Journal of Instrumentation) is being envisaged.
- No paper proceedings planned.

SPMS use for ICALEPCS'11

- SPMS modules to be used:
 - Editor/Proceedings Administration module
 - Scientific Program Administration module
- Registration, different options:
 - ESRF event management system (site entrance, Travel Office, online payment, reimbursement) is very popular with our administration who may be unhappy if we use another system.
 - generates site entrance requests with name, nationality, **date and place of birth** as mandatory data, however SPMS profiles only contain name and nationality.
 - SPMS
 - InDiCo
