

# From EGEE RAG to EGI O-E-10

*Tomasz Szepieniec*  
*ACK Cyfronet AGH*

- **From: RAG – Resource Allocation Group (co-chair with NA4)**
  - Poland, France, NA4
- **To: EGI O-E-10: Coordination of resource allocation and of brokering support for VOs from NGIs,**
  - Amsterdam
- **Status:**
  - Responsible person at EGI not known
  - Document activity to hand over in writing

- 1. Operation on VO registration**
  - Related tool: CIC Portal, OTAG included
  - The current procedure of registration well defined
  - Procedure of VO de-registration in progress
  - TODO: Modification of scoping(?), regional distribution in EGI (?)
- 2. Seed-resources operation**
  - Activity will be closed at the end of EGEE3
- 3. Coordination of resource allocation and of brokering support for VOs from NGIs**
  - Operation in the current model (very limited) is documented
  - Identified need for tools and traceable procedures
  - Q: Where in EGI this discussion will be continued?
