

O-E-14 Operation of the production Grid core software services, catch-all services for international VOs, catch-all CA

Christos Kanellopoulos, GRNET/AUTH
Ioannis Liabotis, GRNET

- **the VO management service (VOMS)**
- **the File catalogue and transfer services (LFC and FTS)**
- **Job management services (WMS)**
- **Information services (BDII)**
- **Security Services (MyProxy, EGI Catch All CA)**

- **Core Services for Catch All VO**
 - Currently na4.vo.eu-egee.org (need to change name ?)
There is no usage in the NA4 VO
 - Services:VOMS: France, WMS: Greece (Also France, Poland) LFC: France, Greece
- **Core Services for new or small VOs ?**
 - Currently as part of the Seed Resources
- **Core Services for large international VOs**

- **Need to communicate with VOs to arrange setup if necessary**
- **HEP VOs:** Mainly supported by WLCG. We expect this to continue
- **Biomed:** Mainly support by France (VOMS, LFC). GR Already support WMS
- **ESR:** Mainly support by NL. GR already supports WMS
- **COMPChem:** Mainly support by Italy (VOMS, LFC) GR already supports WMS

- **First Steps**
- Start with DTEAM. Coordinate with CERN the transition of DTEAM VO
- Identify which core services for which VOs
- ROCs to notify if they have problems supporting international VOs and decide on a case by case basis what services we will be hosting.
- **For each core service:**
 - Service Setup
 - Testing period
 - Database replications (if needed)
 - Users Notification
 - Sites configuration changes

- **EGI Catch All CA will offer Catch All services for the EGI member countries that do not have a national CA yet.**
- **Take over from the EGEE Catch All CA and the SEE-GRID CA**
- **In contact with CNRS (SEE-GRID CA is operated by GRNET/AUTH)**

- **Issue1: What will be the scope of the CA?**
 - Support users in non EGI member countries?
- **Issue 2: There was no EGEE Catch All CA. CNRS CA was acting also as EGEE Catch All CA**
 - EGI Catch All CA needs to go through the EUGridPMA Certification Process (next meeting April 19-21)

Countries	CA	Comments
Albania	SEE-GRID CA	EGI Member
Azerbaijan	SEE-GRID CA	Azerbaijan does not participate in EGI
Bosnia & Herzegovina	SEE-GRID CA	EGI Member
Georgia	SEE-GRID CA	EGI Member
Italy	CNRS CA	The issued certificates are for ESA. The INFN CA is serving Italy. Why issued by EGEE Catch ALL ?
Senegal	CNRS CA	Are these certs issued under the EGEE Catch All hat ?
United States	CNRS CA	Certificates for Mathworks
Vietnam	CNRS CA	ASGC CA also has RAs in Vietnam
