

Current shifts situation for LHC (report sent by Markus Albert)

- Markus is in charge of shift planning for SPS and LHC
- He will assign a maximum of willing women for these shifts
- 9 shifters per shift in total in CCC

Control room	# of trained female shifters	Total number of shifters	Number of women signed in
SPS	many	2 x (AM + PM shifts)	contacts in progress
LHC	many	2x (AM + PM shifts)	1 in; contacts in progress
CPS	1	3x (AM + PM shifts)	1 during day time
TI	0	1x (AM + PM shifts)	No female operator
Cryogenics	1	1x (AM + PM shifts)	Contact in progress
