

Whole Node Job Submission

WLCG MB Meeting, December 7th 2010

P. Mato, CERN

Agreed Task Force Mandate

- ▶ ATLAS, CMS
 - Agreed
 - “make use of small testbeds to demonstrate the promise”
 - “just need to be able to start a pilot on the whole node”
- ▶ LHCb
 - Agreed
 - “start involving only the experiments”
 - “essential to specify the “owner” of this task force”
- ▶ ALICE
 - “does not understand what can be the usefulness of it”
 - “not strictly needed”
