

## Student Session

**Student:** Alexander Ochirov

### **Date and Time:**

-Tuesday 17<sup>th</sup> August at 10.15

**Subject :** "Direct photon **production** in hadron-hadron collisions"

## **Biography-**

### **Brief CV:**

-Field of Study: Quantum Field Theory

-Education:

Master student at the Dept. of High Energy Physics and Elementary Particles,  
Faculty of Physics, Saint Petersburg State University, Russia

Bachelor of Applied Mathematics and Physics, Dept. of Applied Mathematics  
and Physics, Faculty of Physics, Saint Petersburg State University, Russia

-Project: Direct Photon Production in Hadron-Hadron Collisions Supervisor  
(unofficial): Andrey Arbuzov
