

## **Session Program**

**26 September 2021 to 1 October 2021**

### **Low-x 2021**

***PDFs and QCD session I***

# Monday 27 September

14:10

## PDFs and QCD session I

Session | Location:

14:10-14:30

**From small to large  $x$ : toward a unified formalism for particle production in high energy collisions**

**Speaker**

Jamal Jalilian-Marian

14:30-14:55

**Recent results on PDFs and  $\alpha_s$  from HERA (remote)**

**Speakers**

Amanda Sarkar, amanda sarkar

14:55-15:20

**Parton distribution functions and intrinsic charm at LHCb**

**Speaker**

Cristina Sánchez Gras

15:20-15:45

**Precision QCD measurements from CMS**

**Speaker**

Toni Makela

15:45
