

## **Session Program**

**26 September 2021 to 1 October 2021**

**Low-x 2021**

***Heavy ion session***

# Thursday 30 September

09:00

## Heavy ion session

Session | Location:

09:00–09:25

### Collectivity in heavy ion interactions at CMS

**Speaker**

Georgios Krintiras

09:25–09:50

### Light hadron and photon production in pPb collisions at LHCb (remote)

**Speakers**

Thomas Boettcher, Thomas Julian Boettcher

09:50–10:15

### Probing initial state with photons and neutral mesons in ALICE

**Speaker**

Jens Robert Luhder

10:15–10:40

### Top results in heavy ions in CMS

**Speaker**

Luis Alcerro Alcerro

10:40
