DEPARTMENT

# Access rights summary

# User Group

The screenshot shows the Infor EAM interface for configuring a User Group. The breadcrumb trail is: User Group > CCI-ADM > Control Central Infrastructure - Admin (Ext.). The page title is "User Group CCI-ADM Control Central Infrastructure - Admin (Ext.)". The "Record View" tab is active, showing the following configuration details:

- User Group: CCI-ADM
- Control Central Infrastructure - Admin (Ext.)
- Class: [Empty]
- Requestor:
- Copy From: [Empty]
- Default WO Type: [Empty]
- Department: \*
- Session Timeout (minutes): 120
- Corrections Allowed:
- CERN Group: BE/CEM

The bottom navigation bar includes: Requisitions, Routes, Screen Setup, Screens, Status Authorizations, Stores, Suppliers, System Codes, Systems, Task Plans, Trades, **User Groups**, User Setup, and Work Orders.

\* Means access to several departments

# User Setup

The screenshot shows the Infor EAM User Setup interface for user IKOZSAR. The top navigation bar includes menus for CERN, Work, Materials, Equipment, Purchasing, Operations, Administration, CERN\_Administration, and Reports. The user ID is IKOZSAR, and the user name is Ioan Kozsar. The interface is divided into several sections:

- User Details:** Contains fields for Language (English), User Group (CCI-ADM), User ID Expiration Date (31-DEC-2050), Password, Password Expiration Date (31-DEC-2050), E-mail Address (ioan.kozsar@cern.ch), and Associated Supplier. There are also checkboxes for Buyer, Allow Dataspy Edits, Mobile Administrator, Allow Dataspy Advanced Filters, Allow Global Dataspy Configuration, and Allow Editing of Other's Comments.
- User Limits:** Contains fields for Requisition, Requisition Approval, Invoice Approval, Non-PO Inv. Approval, Purchase Order, PO Approval, and Pick Ticket Approval, each with a CHF button.
- Custom Fields:** Contains fields for Détenteur (ID CERN) (84139) and Connector License Lock?.
- Other Fields:** Includes Class, Locale, Department, Session Timeout (minutes), Success Msg. Timeout (20 Seconds), First Screen, Screener, Screen Designer, Accessibility Mode, Allow Screen Cache Setup, Allow Creating Import Utility Template, Allow Viewing Audit Trail, and Enable Screen Cache Deck.

The bottom navigation bar includes tabs for Requisitions, Routes, Screen Setup, Screens, Status Authorizations, Stores, Suppliers, System Codes, Systems, Task Plans, Trades, User Groups, User Setup, and Work Orders.

# CERN Administration

The screenshot shows the infor EAM CERN Administration interface. The top navigation bar includes 'infor EAM' and a menu with options: CERN, Work, Materials, Equipment, Purchasing, Operations, Administration, CERN\_Administration (highlighted), and Reports. The user is logged in as 'PRODUCTION - Group: R5 - User: R5'. The main page title is 'Department Security e-groups'. Below the title is a toolbar with various icons for navigation and actions. A search filter is set to 'Department' with the value 'cci'. The main content area displays a table with the following data:

Department	E-Group	Read Only	Admin Department
CCIB	eam-logins	<input type="checkbox"/>	CCIB
CCIA	eam-logins	<input type="checkbox"/>	CCIA
CCIB	eam-core	<input type="checkbox"/>	CCIB
CCIA	eam-core	<input type="checkbox"/>	CCIA

At the bottom of the page, there is a footer with the text 'Records: 4 of 4' and a 'Show Filter Row' checkbox. The bottom navigation bar includes links to various modules: Department Security e-groups, AC Assets, AC Positions, AC Work Orders, Alert Management, Assets, Associate Custom Fields, Audit Setup, CEP Assets, and CEP Work Orders.
