

Manual status

Pythia full-week meeting, April 2021
Christian Bierlich

Overview

- 1. Issue/merge requests status → gitlab**
- 2. Updated time plan**

Updated time plan

- **We need to make sure that the manual will not be delayed indefinitely!**

- **Suggestion: Coming up with a manageable timeline → publication.**

Cor. 1) Planning a dedicated “crunch week”, not necessarily full time.
