

The 38th International Symposium on Lattice Field Theory

Monday 26 July 2021

Discussion/social: Reception in Gather (08:00 - 08:50)

Discussion/social: In Gather (11:00 - 12:00)

Discussion/social: Student and postdoc mixer in Gather Beer Garden (11:30 - 13:00)

-Conveners: Dimitra Pefkou

Discussion/social: Algorithms (including Machine Learning, Quantum Computing, Tensor Networks) discussion in Gather breakout room #5 (15:00 - 16:00)

Discussion/social: Hadron Structure discussion in Gather breakout room #1 (15:00 - 16:00)

Discussion/social: QCD at nonzero Temperature and Density discussion in Gather breakout room #2 (15:00 - 16:00)

Discussion/social: QCD in searches for physics beyond the Standard Model discussion in Gather breakout room #3 (15:00 - 16:00)

Discussion/social: Vacuum Structure, Confinement, and Chiral Symmetry discussion in Gather breakout room #4 (15:00 - 16:00)

Discussion/social: Algorithms (including Machine Learning, Quantum Computing, Tensor Networks) discussion in Gather breakout room #3 (23:00 - 23:59)

Discussion/social: Hadron Structure and Vacuum Structure, Confinement, and Chiral Symmetry discussion in Gather breakout room #2 (23:00 - 23:59)

Discussion/social: QCD at nonzero Temperature and Density discussion in Gather breakout room #1 (23:00 - 23:59)

Discussion/social: QCD in searches for physics beyond the Standard Model discussion in Gather breakout room #5 (23:00 - 23:59)

Discussion/social: Theoretical developments and applications beyond particle physics discussion in Gather breakout room

#4 (23:00 - 23:59)

Tuesday 27 July 2021

Discussion/social: Hadron Spectroscopy and Interactions discussion in Gather breakout room #2 (08:00 - 09:00)

Discussion/social: Hadron Structure discussion in Gather breakout room #3 (08:00 - 09:00)

Discussion/social: QCD at nonzero Temperature and Density discussion in Gather breakout room #1 (08:00 - 09:00)

Discussion/social: QCD in searches for physics beyond the Standard Model discussion in Gather breakout room #4 (08:00 - 09:00)

Discussion/social: Theoretical developments and applications beyond particle physics discussion in Gather breakout room #5 (08:00 - 09:00)

Discussion/social: In Gather (11:00 - 12:00)

Discussion/social: Algorithms (including Machine Learning, Quantum Computing, Tensor Networks) discussion in Gather breakout room #5 (15:00 - 16:00)

Discussion/social: Hadron Spectroscopy and Interactions discussion in Gather breakout room #2 (15:00 - 16:00)

Discussion/social: Hadron Structure discussion in Gather breakout room #3 (15:00 - 16:00)

Discussion/social: QCD at nonzero Temperature and Density discussion in Gather breakout room #1 (15:00 - 16:00)

Discussion/social: Theoretical developments and applications beyond particle physics discussion in Gather breakout room #4 (15:00 - 16:00)

Discussion/social: Hadron Spectroscopy and Interactions discussion in Gather breakout room #2 (23:00 - 23:59)

Discussion/social: Hadron Structure discussion in Gather breakout room #3 (23:00 - 23:59)

Discussion/social: QCD at nonzero Temperature and Density discussion in Gather breakout room #1 (23:00 - 23:59)

Discussion/social: Theoretical developments and applications beyond particle physics discussion in Gather breakout room #4 (23:00 - 23:59)

Discussion/social: Vacuum Structure, Confinement, and Chiral Symmetry discussion in Gather breakout room #5 (23:00 - 23:59)

Wednesday 28 July 2021

Discussion/social: Diversity breakfast (04:00 - 05:00)

-Conveners: Sophie Hollitt; Sinead Ryan

Discussion/social: Hadron Spectroscopy and Interactions discussion in Gather breakout room #2 (08:00 - 09:00)

Discussion/social: Hadron Structure discussion in Gather breakout room #3 (08:00 - 09:00)

Discussion/social: QCD at nonzero Temperature and Density discussion in Gather breakout room #1 (08:00 - 09:00)

Discussion/social: QCD in searches for physics beyond the Standard Model discussion in Gather breakout room #4 (08:00 - 09:00)

Discussion/social: Theoretical developments and applications beyond particle physics discussion in Gather breakout room #5 (08:00 - 09:00)

Discussion/social: In Gather (11:10 - 13:00)

Discussion/social: Minority Group Breakfast/Elevenses/Lunch/Dinner (12:00 - 13:00)

-Conveners: Christopher Aubin

Discussion/social: Algorithms (including Machine Learning, Quantum Computing, Tensor Networks) discussion in Gather breakout room #3 (15:00 - 16:00)

Discussion/social: Hadron Spectroscopy and Interactions discussion in Gather breakout room #2 (15:00 - 16:00)

Discussion/social: QCD at nonzero Temperature and Density and Hadron Structure discussion in Gather breakout room #1 (15:00 - 16:00)

Discussion/social: Software development and Machines discussion in Gather breakout room #4 (15:00 - 16:00)

Discussion/social: Standard Model Parameters and Theoretical developments and applications beyond particle physics discussion in Gather breakout room #5 (15:00 - 16:00)

Discussion/social: Algorithms (including Machine Learning, Quantum Computing, Tensor Networks) discussion in Gather breakout room #5 (23:00 - 23:59)

Discussion/social: Hadron Spectroscopy and Interactions and Standard Model Parameters discussion in Gather breakout room #2 (23:00 - 23:59)

Discussion/social: Hadron Structure discussion in Gather breakout room #3 (23:00 - 23:59)

Discussion/social: QCD at nonzero Temperature and Density discussion in Gather breakout room #1 (23:00 - 23:59)

Discussion/social: Theoretical developments and applications beyond particle physics discussion in Gather breakout room #4 (23:00 - 23:59)

Thursday 29 July 2021

Discussion/social: Algorithms (including Machine Learning, Quantum Computing, Tensor Networks) discussion in Gather breakout room #5 (08:00 - 09:00)

Discussion/social: Hadron Spectroscopy and Interactions discussion in Gather breakout room #2 (08:00 - 09:00)

Discussion/social: QCD at nonzero Temperature and Density discussion in Gather breakout room #1 (08:00 - 09:00)

Discussion/social: Standard Model Parameters and Particle physics beyond the Standard Model discussion in Gather breakout room #3 (08:00 - 09:00)

Discussion/social: Vacuum Structure, Confinement, and Chiral Symmetry discussion in Gather breakout room #4 (08:00 - 09:00)

Discussion/social: In Gather (11:00 - 12:00)

Discussion/social: Academic careers panel (11:15 - 12:45)

-Conveners: Phiala Shanahan; Martha Constantinou

| time | [id] title | presenter |
|-------|------------------------------|---------------------|
| 11:15 | [665] Academic careers panel | CONSTANTINO, Martha |

Discussion/social: Algorithms (including Machine Learning, Quantum Computing, Tensor Networks) discussion in Gather breakout room #5 (15:00 - 16:00)

Discussion/social: Hadron Spectroscopy and Interactions discussion in Gather breakout room #1 (15:00 - 16:00)

Discussion/social: Hadron Structure discussion in Gather breakout room #2 (15:00 - 16:00)

Discussion/social: Non-academic careers panel (15:00 - 16:30)

-Conveners: Meifeng Lin; Robert Mawhinney

| time | [id] title | presenter |
|-------|----------------------------------|--------------|
| 15:00 | [666] Non-academic careers panel | LIN, Meifeng |

Discussion/social: Particle physics beyond the Standard Model discussion in Gather breakout room #4 (15:00 - 16:00)

Discussion/social: Standard Model Parameters discussion in Gather breakout room #3 (15:00 - 16:00)

Discussion/social: Algorithms (including Machine Learning, Quantum Computing, Tensor Networks) discussion in Gather breakout room #5 (23:00 - 23:59)

Discussion/social: Hadron Spectroscopy and Interactions discussion in Gather breakout room #1 (23:00 - 23:59)

Discussion/social: Hadron Structure discussion in Gather breakout room #2 (23:00 - 23:59)

Discussion/social: Particle physics beyond the Standard Model discussion in Gather breakout room #4 (23:00 - 23:59)

Discussion/social: Standard Model Parameters discussion in Gather breakout room #3 (23:00 - 23:59)

Friday 30 July 2021

Discussion/social: In Gather (03:20 - 04:20)

Discussion/social: Algorithms (including Machine Learning, Quantum Computing, Tensor Networks) discussion in Gather breakout room #5 (08:00 - 09:00)

Discussion/social: Hadron Spectroscopy and Interactions discussion in Gather breakout room #2 (08:00 - 09:00)

Discussion/social: Particle physics beyond the Standard Model discussion in Gather breakout room #4 (08:00 - 09:00)

Discussion/social: QCD at nonzero Temperature and Density discussion in Gather breakout room #1 (08:00 - 09:00)

Discussion/social: Standard Model Parameters discussion in Gather breakout room #3 (08:00 - 09:00)

Discussion/social: In Gather (11:20 - 12:20)
