# Conclusions

- Prague groups would like to thank the IOC for considering us for this nice conference
- Not many lakes, but many chateaus
- We believe we have **enough experience** to organise such an event in a proper way
- We have **variety of possible sites**, chateaus of AcadSci offer special prices at the very high standard
- The fee covering all standard items (lodging, full board, excursion, auditoria, internet, audio/video, excl. Proceedings) can be **700-1000 Eur**
