

Many people contributed to the organization of the 6th PLHC Conference in Perugia, I want to use this opportunity to thank all of them.

An incomplete list includes:

- Conference Chairs:

Giancarlo Mantovani and Leonardo Rossi.

- Program Committee, representing LHC experiments and the theoretical community, Chaired by Daniel Denegri and Tom LeCompte.

- Conference Scientific Secretary: Gian Mario Bilei.

- CERN secretary: Kirsti Aspola

Very special thanks to the hosts in Perugia
who have done most of the work!
