

Session Program

31 May 2021 to 3 June 2021

Jets and their substructure from LHC data

Heavy quark jets

CERN, On-line only

Tuesday 1 June

13:30

Heavy quark jets

Session | **Location:** CERN, On-line only

13:30–14:20 **ATLAS+CMS: Experimental overview on heavy-flavoured jets**

Speakers

Andy Buckley, Duong Hai Nguyen

14:35–15:05 **LHCb: Experimental overview on heavy-flavoured jets**

Speaker

Kara Mattioli

15:20–15:30 **break**

15:30–16:00 **Flavour tagging in jets: theory vs. experiment**

Speaker

Rhorry Gauld

16:15–16:45 **Machine Learning landscape of top tagging**

Speaker

Gregor Kasieczka

17:00
