

Session Program

31 May 2021 to 3 June 2021

Jets and their substructure from LHC data

Jet Substructure

CERN, On-line only

Wednesday 2 June

13:30

Jet Substructure

Session | **Location:** CERN, On-line only

13:30–14:20 **ATLAS+CMS: Jet substructure measurements**

Speakers

Andreas Hinzmann, Ben Nachman

14:35–15:05 **ALICE: Jet substructure measurements**

Speaker

Ezra Douglas Lesser

15:20–15:30 **break**

15:30–16:00 **New theory challenges in jet substructure**

Speaker

Gregory Soyez

16:15–16:45 **Theoretical precision for jet substructure**

Speaker

Andrew Larkoski
