

Welcome from The South African Gamma-Ray Astronomy Programme (SA-GAMMA)

Markus Böttcher
North-West University
Potchefstroom, South Africa
Chair of SA-GAMMA

National
Research
Foundation

science & innovation

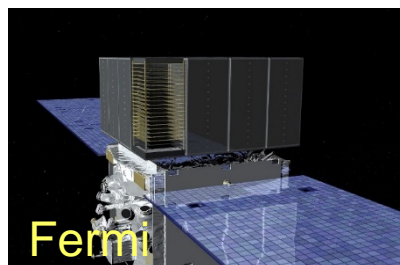

Department:
Science and Innovation
REPUBLIC OF SOUTH AFRICA

SA-GAMMA Consortium

- Coordinating research activities and funding needs for gamma-ray astronomy in South Africa and Namibia

- H.E.S.S.

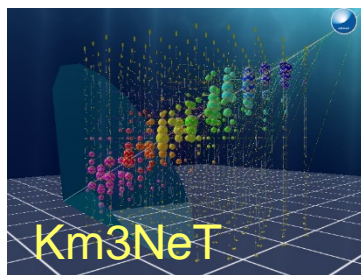

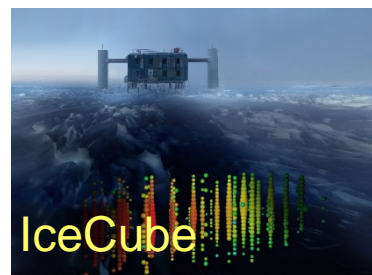

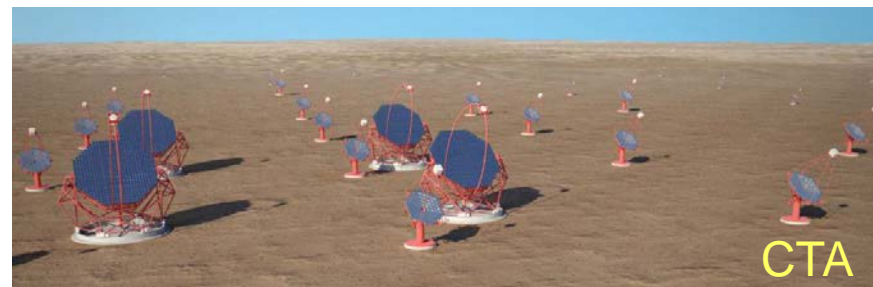

- CTA

- Fermi

- IceCube, KM3NeT

- 23 permanent staff scientists,
20 postdocs, 27 Ph.D. students, 47 M.Sc. Students
at 6 institutions:

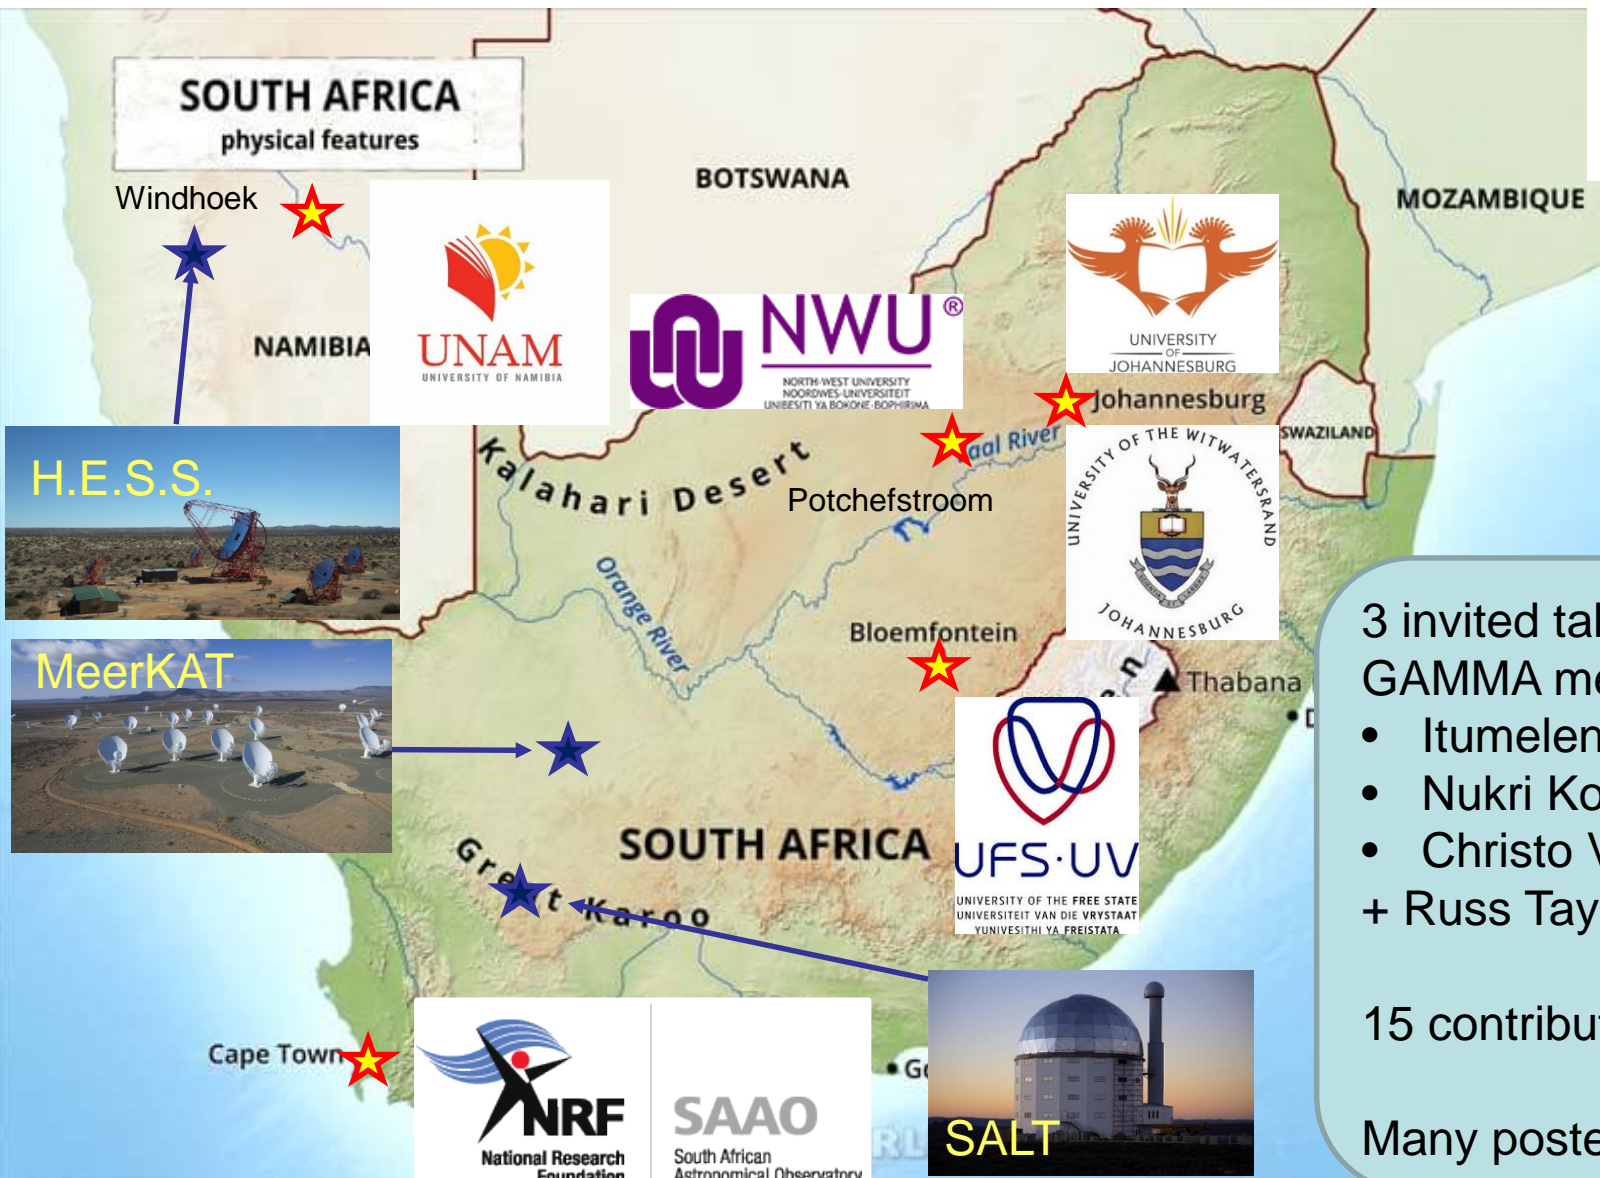

National
Research
Foundation

science
& technology

Department:
Science and Technology
REPUBLIC OF SOUTH AFRICA

SA-GAMMA Consortium

3 invited talks by SA-GAMMA members:

- Itumeleng Monageng,
- Nukri Komin,
- Christo Venter

+ Russ Taylor (UWC)

15 contributed talks

Many posters...

SA-GAMMA

**Funded by DSI at almost
ZAR 4M per year
(ZAR 3.8M for 2020 – 2021)**
