

51ST

INTERNATIONAL SYMPOSIUM ON MULTIPARTICLE DYNAMICS

ISMD 2022

DATE

1-5 August 2022

Pitlochry, Scotland + online: indico.cern.ch/e/ismd2022

TOPICS

- Hadron structure
- Forward and diffractive physics
- Collectivity and multiple scattering
- Jets and QCD at high scales
- Hadron spectroscopy
- High-temperature QCD
- Hadronic issues in heavy-flavour physics
- Cosmic ray and astrophysics
