

51st International Symposium on Multiparticle Dynamics (ISMD2022)

Friday 5 August 2022

Collectivity & multiple-scattering 2 (09:00 - 10:30)

time	[id] title	presenter
09:00	[29] Directed flow of identified particles in Au+Au collisions at $\sqrt{s_{NN}} = 14.6$ and 19.6 GeV from RHIC Beam Energy Scan	LIU, Zuowen
09:30	[65] Strangeness Production in Small Collision Systems at ALICE	BHASIN, Anju
10:00	[27] Can quantized fragmentation replace colour reconnection models ?	TODOROVA, Sarka TODOROVA, Sarka
