

51st International Symposium on Multiparticle Dynamics (ISMD2022)

Tuesday 2 August 2022

Forward & diffractive physics 1 (09:00 - 10:30)

time	[id] title	presenter
09:00	[36] Diffractive measurements from CMS	BALDENEGRO BARRERA, Cristian
09:25	[62] Recent ATLAS results on forward physics and diffraction	STASZEWSKI, Rafał
09:50	[31] Anomalous coupling studies with intact protons at the LHC	BALDENEGRO BARRERA, Cristian
10:10	[75] Exclusive quarkonium photoproduction in ultraperipheral collisions at the LHC	FLETT, Chris
