

# 51st International Symposium on Multiparticle Dynamics (ISMD2022)

## Monday 1 August 2022

### Hadron spectroscopy 1 (09:00 - 10:30)

| time  | [id] title   | presenter   |
|-------|--|---|
| 09:00 | [92] Experimental hadron spectroscopy: an overview                 | GRADL, Wolfgang<br>GRADL, Wolfgang<br>GRADL, Wolfgang |
| 09:30 | [19] Hadron resonances from lattice QCD                            | WILSON, David   |
| 09:50 | [13] Double charm tetraquark in $DD^*$ scattering from lattice QCD | MADANAGOPALAN,<br>Padmanath                           |
| 10:10 | [55] Study of charmonium spectroscopy and decays at BESIII         | SONG, Weimin  |
