

51st International Symposium on Multiparticle Dynamics (ISMD2022)

Monday, 1 August 2022

Jets and QCD 1 (11:00 - 12:35)

time	[id] title	presenter
11:00	[24] Dynamically groomed jet radius in heavy-ion collisions	TAKACS, Adam
11:25	[84] Recent results on jet suppression at the LHC	CRUZ TORRES, Reynier
11:50	[86] Recent measurements of heavy flavour jet production at the LHC	MATTIOLI, Kara
12:15	[1] Exploring quenching features of multi-partonic cascades in expanding medium	Mr ADHYA, Souvik Priyam
