

51st International Symposium on Multiparticle Dynamics (ISMD2022)

Thursday 4 August 2022

Hadron spectroscopy / Jets (11:00 - 12:30)

time	[id] title	presenter
11:00	[74] Jets in p+A and e+A Collisions - From RHIC to the EIC	LAJOIE, John
11:25	[78] Validation of the Glauber Model for centrality determination in small system collisions	RAMASUBRAMANIAN, Niveditha
11:45	[38] Recent results on long lived particle searches at the LHC	GEMME, Claudia
12:10	[47] ATLAS results on exotic hadronic resonances	XU, Yue
