Registering PPE in Infor EAM

The screenshot shows the Infor EAM Light interface. At the top, it says 'EAM Light' and 'TYTTERDA'. Below that, there's a search bar and a filter dropdown set to 'Datasp: All Parts with SCEM'. A table lists 21 PPE items with columns for Part, Description, UOM, Preferred Supplier, and SCEM Code. The items include surgical masks, face shields, hand sanitizer, gloves, and safety glasses.
