

The final exam

thematic
CERN
School of Computing

14-18 June 2021
Online

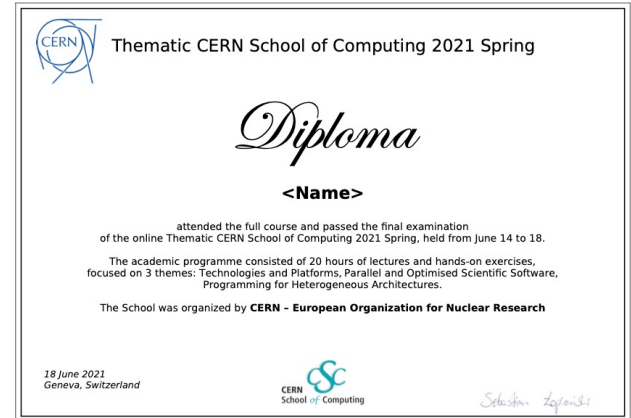

**Scientific Software for
Heterogeneous Architectures**

<http://cern.ch/csc>

Why exam?

- To confirm what you have learned during the school!
- Those who pass the exam, receive a **Diploma**
- Others receive a **Certificate of Attendance**

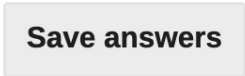

Exam

- Covering all lectures, except the [Introduction](#) and the [Summary](#) lectures
- Two questions per lecture → **22 questions**
- Duration: **40 minutes**
- Multiple choice questions: **4 answers possible – only one is correct**

- The passing threshold is 50% of correct answers
- **Rules:**
 - you **may** consult materials (slides etc.)
 - you **must not** use external help, or communicate with other people
 - keep the exam questions **confidential**

- Individual results will be made available [here](#) as soon as possible

Exam logistics

- **Exam form** == Indico survey (same as lecture quizzes)
 - we will share the link on Zoom chat
 - log in with your usual account
- Stay connected to this Zoom room
 - to see the countdown timer **39:59** and hear the voice announcements 
- Regularly click on 
 - If you get disconnected, no panic! Reconnect to Zoom, and open the exam again
- When finished, you **must** click on 
 - If you don't submit, we won't receive your answers
 - Exam can be submitted only once; you cannot change your answers afterwards
- Questions during the exam? → [@slopiens](#) on Mattermost
- Technical issues? → [~Technical Support](#) or [@jpolok](#) on Mattermost

Good luck!
