TWEPP 2021 Topical Workshop on Electronics for Particle Physics

Monday, September 20, 2021 - Friday, September 24, 2021

Scientific Program

ASIC

Optoelectronics and Links

Packaging and Interconnects

Power, Grounding and Shielding

Production, Testing and Reliability

Programmable Logic, Design Tools and Methods

Systems, Planning, Installation, Commissioning and Running Experience

Radiation Tolerant Components and Systems

Trigger
