Board Meetings and Best Practices

Board Meetings and Best Practice in 2022

3-4 June: Best Practice + Board meeting

Possible location: ELI Beamlines, Prague

8-9 December: Best practice + Board meeting

Possible location: CERN, Geneva

March/April 2022? Internal Workshop for discussion on HEP Tech

HEPTrepreneurs series

HEPTrepreneurs episodes will get a more structured course shape and will be covering various themes useful for starting to work on an idea.

Inspirational talks will no be missing!

Possible subjects:

- From Idea to market
- Teams
- Market surveys
- Funding

GSI will continue to co-organize the HEPTrepreneurs series

AIME

Call for application?

HEPTech as a support?

Info:

Please write a board paper for financial support as early as possible

Video working group meetings

More meetings are foreseen in 2022 in order to finish the video production.

Interactions between members and the video maker person will be scheduled.

Ask members to contribute?

Thank you!
