Meetings and events 2021
HEPTech Board – 03 December 2021

CONTENTS

Events overview 2021
Events in detail: June-December

Events overview 2021

- 23.04 HEPTrepreneurs Episode 1
- 25.05 HEPTrepreneurs Episode 2
- 23.06 Best Practice on Software
- 24.06 Board Meeting June
- 20.07 HEPTrepreneurs Episode 3
- 21.09 HEPTrepreneurs Episode 4
- 26.10 Best Practice on Value Proposition
- 12.11 AIME21
- 17.11 Tech Connect
- 23.11 HEPTrepreneurs Episode 5
- 02.12 Best Practice on Metrics
- 03.12 Board Meeting December

Events in detail: June-December

- HEPTrepreneurs
- Best Practices
- Working group meetings "Video"
- AIME21
- Tech Connect Europe

HEPTrepreneurs

HEPTrepreneurs episodes:

HEPTrepreneurs Episode 3
Title:
We want our science to change the world -
It is how we tell our story that moves grants funders, investors and society to support us.
Speaker:
Ian Tracey, CoFounder Anchored In, UK
Registered: 42 people, STFC, CERN, GSI, Demokritos

HEPTrepreneurs Episode 4
Title:
Srk-h + iPct = vM*s-o [Synchrotron radiation know-how + iPhone camera technology = vivaMOS spin-out]
Speaker:
Dan Cathie, VIVAMOS
Registered: 59 people, STFC, CERN, GSI Demokritos

HEPTrepreneurs Episode 5
Title:
Meet Station F, the world's largest startup campus!
Speaker:
Gwen Salley, Station F
Registered: 39 people, STFC, CERN, GSI, Demokritos

Students and scientist came from mainly: STFC, CERN, GSI

Best practices

Best Practice events:

BEST PRACTICE " VALUE PROPOSITION"
Date 26.10.2021

Speaker:
Han Dols, CERN
Attendance: 10 people

BEST PRACTICE "METRICS"
Date: 02.12.2021

Speaker:
Liam Brennan, STFC
Attendance , institution ecc

Working group meetings "Video"

At the Board Meeting June suggestions it is decided to organize a sub-group of 4-5 people to decide how to proceed by volunteering base.
E. Bain, M. Barone, J. Anderson, V. Venturi, D. Bereckzei, A. Telcs Are active in this group.

Decision: preparing a 1-1:30 min video to promote HEPTech

Meeting 1: September 30th
Meeting 2: Nov 1st.

Identified videos from GSI, INFN and STFC to be used

Module 1:

Organization of 3 activities by HEPTech:

-AIME
-HEPTrepreneurs
-Best practice workshop

Module 2:
Three examples of KT and TT in different areas (successful stories).
Different topics: sustainability, health, new materials ecc.

AIME

The **Academy Industry Matching Event** on information technology has been organized in Budapest, Hungary at 11-12 November 2021 by Wigner RCP and CERN.

The event was organized in hybrid mode, accepting on-site and on-line participation.

The detailed program and the presentations can be found in the INDICO page:
https://indico.kfki.hu/event/1331/

The oral presentations were recorded and the records will be displayed soon after a final editing. The AIME event was visited by 20-25 participants on-site and was followed by 35-40 participants on-line via ZOOM-connection.

wigner   **HEP**Tech AI²ME

CERN, WIGNER RCP together with the HEPTech Network are organizing the next

**Artificial Intelligence
Academia-Industry Matching Event**
Artificial Intelligence, Machine Learning
and those supported by Quantum Algorithms
Hybrid Workshop

Tech Connect EUROPE

TechConnect Europe, Malmo Nov 15-17

The HEPTech communication officer could join Tech Connect and help in the organisation of a workshop with ENRIITC and Jimmy Andersen: **Big Science Lunch Workshop I: Accelerating Innovation through Europe's Research Facilities: Access, funding, expertise and more**

That has been an occasion to meet HEPTech members from several institutions: STFC, GSI, ESS, ELI ALPS and partners like ENRIITC.

Thank you!
