

# The Politics of Big Science

Professor Dame Anne Glover FRS FRSE

# Europe is no. 1 globally in generating knowledge

# Where there is power, politics will be involved

Tackling global challenges in a rational way is both scientific and political

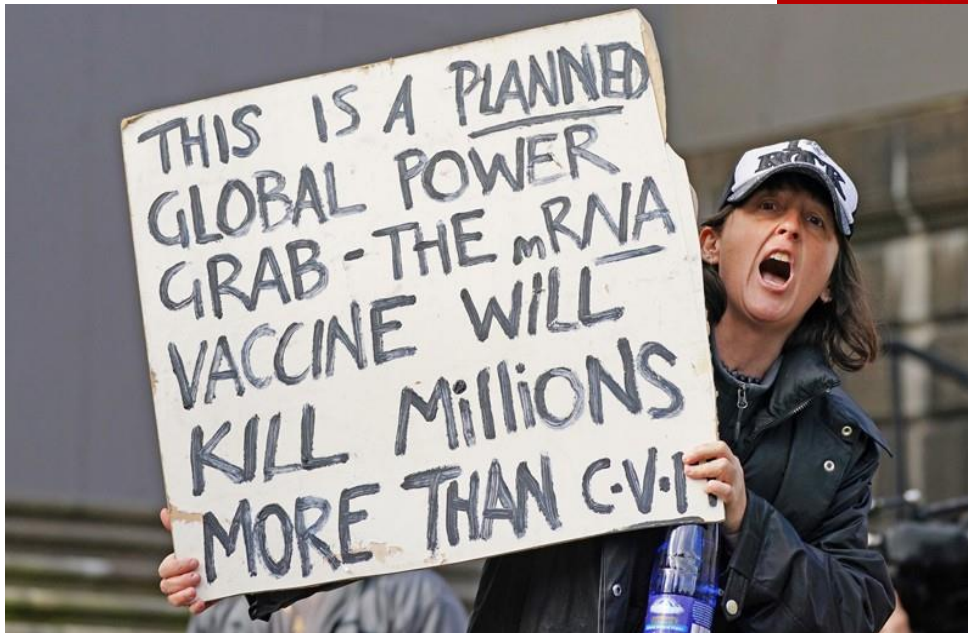

# Science and politics

Think my Coronavirus is  
killer? Wait till I roll out  
the Mandatory Vaccine!

• FALSE

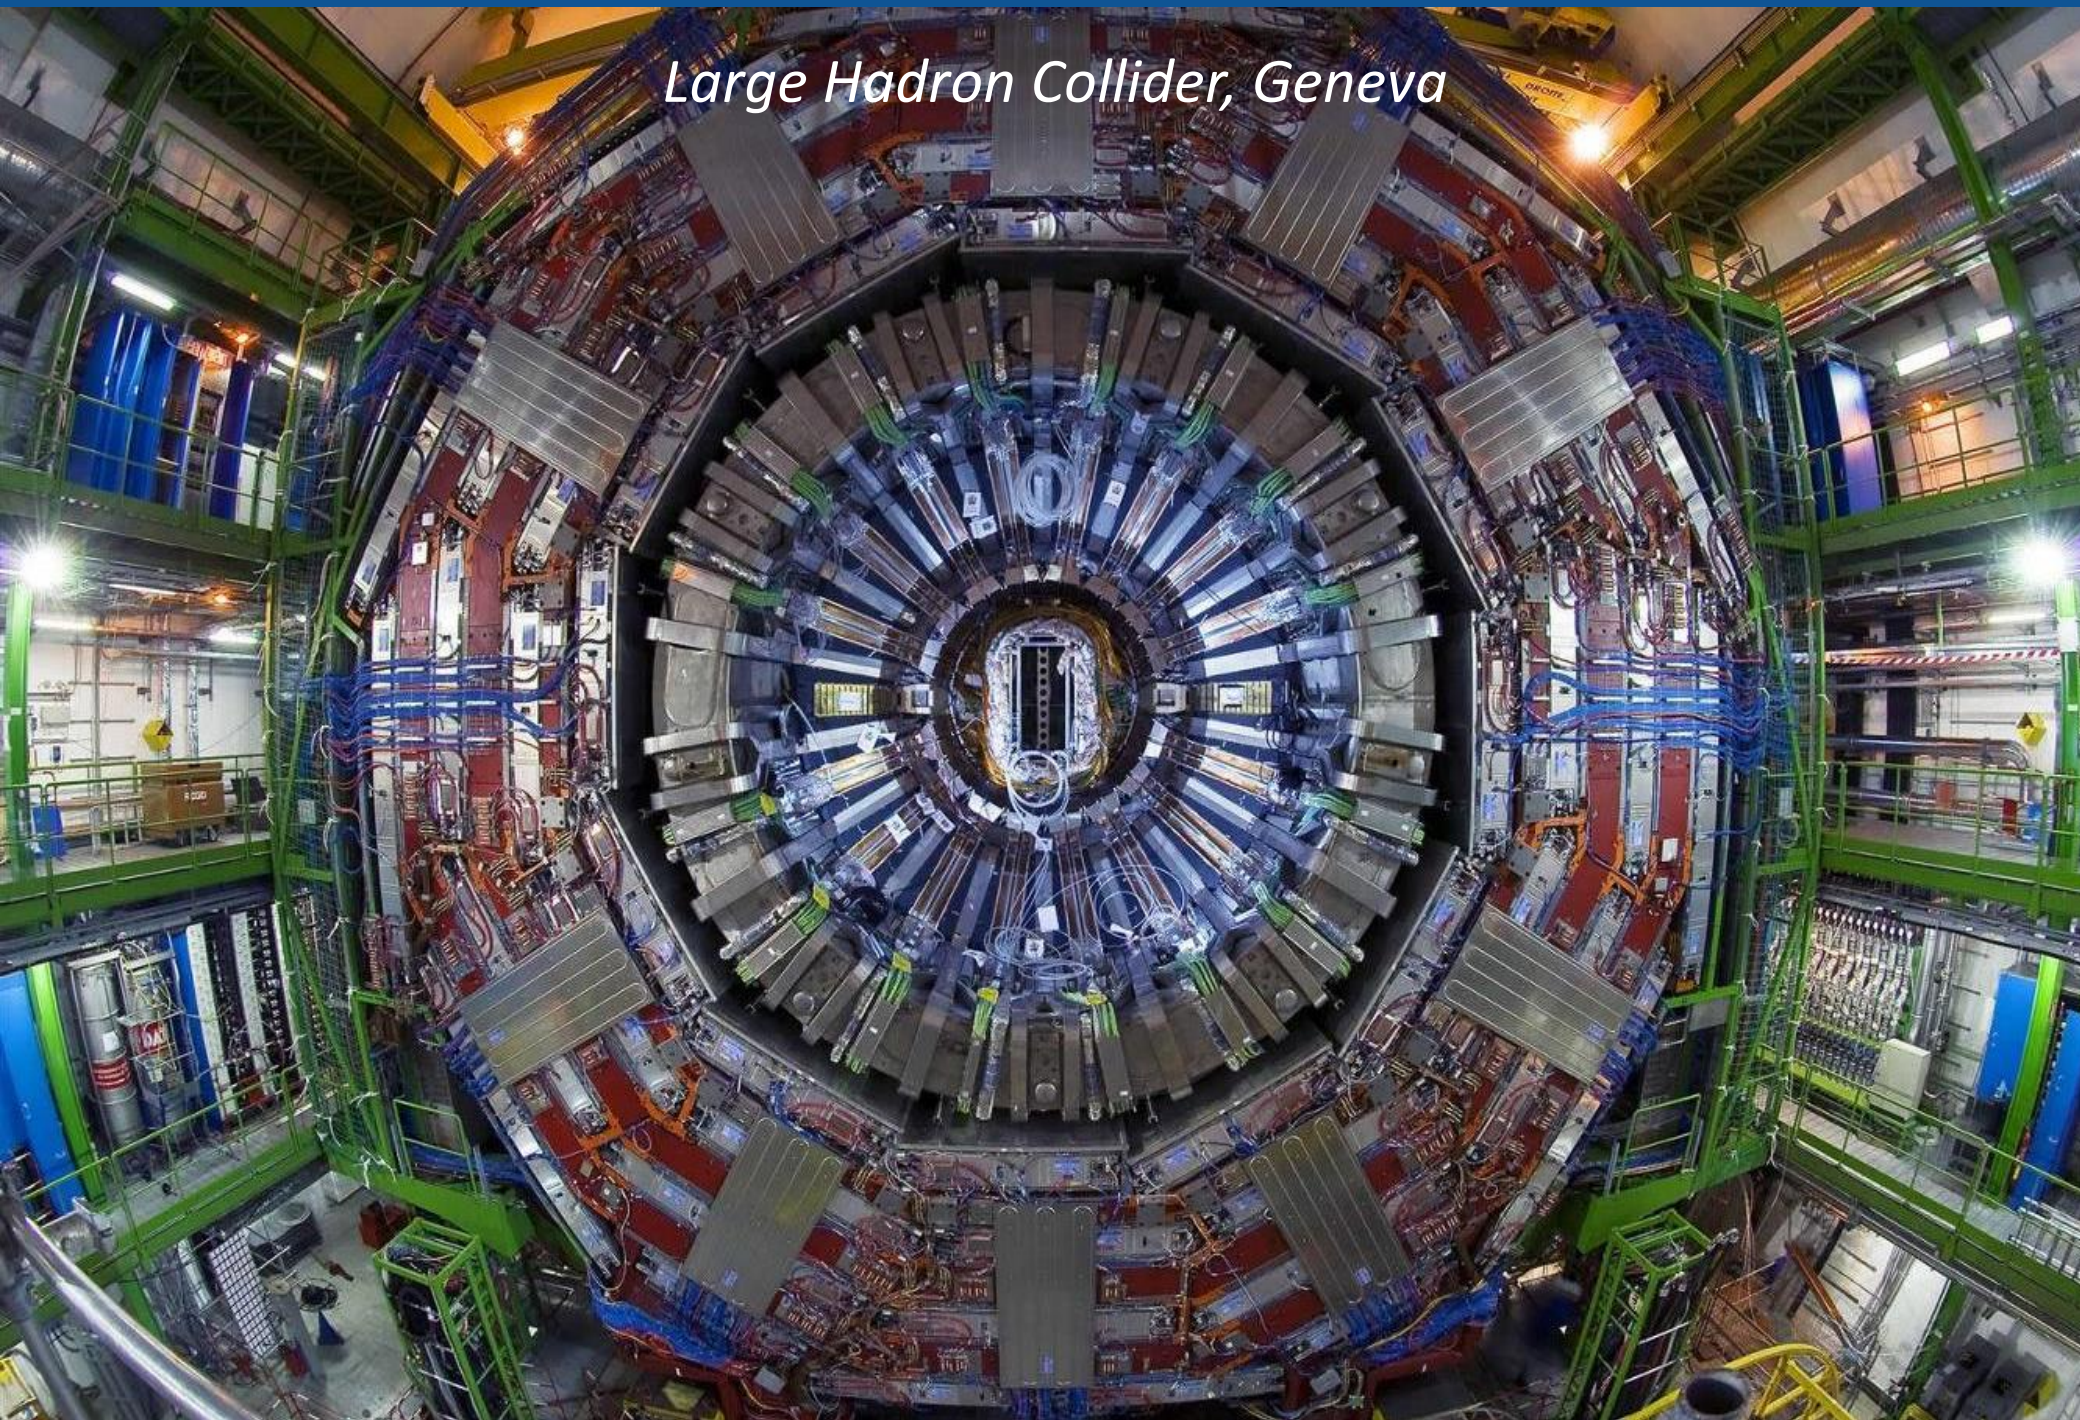

Isn't it Amazing that  
Bill Gates Owns The  
Patent For  
Coronavirus and  
Owns The Vaccine.  
He is also A Partner  
n the Lab In Wuhan  
China

# Europe owns unique research infrastructures – big science

*Large Hadron Collider, Geneva*

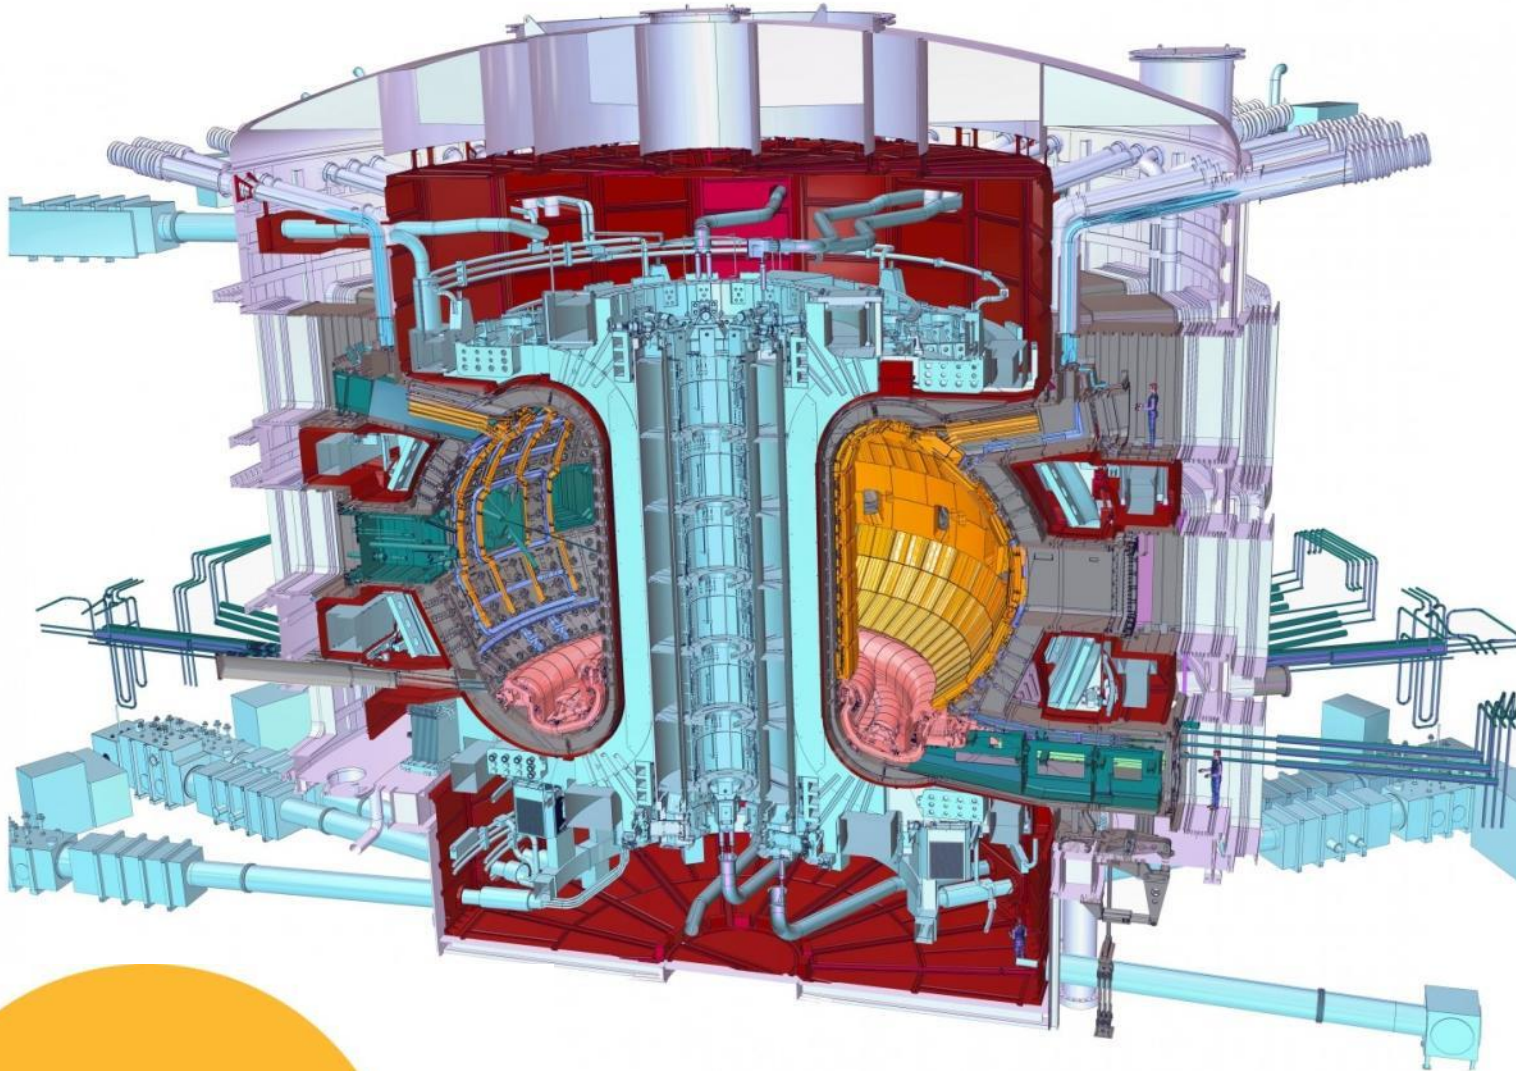

*International Space Station*

# *International Thermonuclear Experimental Reactor, Cadarache (France)*

The most powerful reactor  
on Earth is built in Europe

# Equality and Justice in Big Science

- Can investments be made in a fair way?
- Who can influence this?
- How can citizens be involved?

# Thank you
