

Mini-Workshop on gas transport parameters for present and future  
generation of experiments

Contribution ID: 20

Type: **not specified**

**R&D for the optimization of the use of greenhouse  
gases in particle detector systems**

*Thursday 22 April 2021 10:55 (20 minutes)*

**Presenter:** MANDELLI, Beatrice (CERN)

**Session Classification:** Experiments at CERN with F gases
